SERVITE HIGH SCHOOL

ANAHEIM, CALIFORNIA

1968 - DECADE ONE

THE DECADE YEAR - 2; SPORTS - 10; ACTIVITIES - 56; FACULTY - 84;

SENIORS - 94; CLASSES - 122; INDEX - 148

Servite completes its first decade of existence this year, and this is the record of that decade year, its graduates, students and events. A decade in which Servite has hoped to form Christian men endowed with self-awareness to become capable of rising into a new sphere of existence. "Abstract thought, logic, reasoned choice and invention, mathematics, art, the exact computation of space and time, the dreams and anxieties of love: all these activities of the inner life are simply the bubbling up of the newly-formed life-centre as it explodes upon itself. (Chardin)"

The organization and promotion of school activities is one of the many accomplishments of the student council. Communication of ideas and information between students and faculty is one of its more important duties. It organizes suggestions from students, to be presented to the administration. This is an important part in maintaining smooth student-faculty co-operation.

The council members meet with representatives from other schools to better relationships and exchange ideas. Council appointed committees also organize and plan major functions of the school, such as the Prom, Homecoming, and special entertainment assemblies.

MULTI-PURPOSE BUILDING DEDICATION

December 17, 1967, marked the formal blessing-dedication and opening of Servite's new multi-purpose building. Monsignor Donald Montrose, superintendent of Catholic schools, performed the blessing. The building is the culmination of the hard work and sacrifice of the parents and friends of Servite. Facilities of the finest and latest design are found throughout the building. Its function as a multi-purpose building was evidenced during the year by the fact that it was the site for weekly Mass, the drama production, home basketball games, dances, meetings, assemblies, intramural sports program, physical education classes and the cafeteria facilities.
